Ghia Haylo Daybed

Ghia Haylo Daybed

Design by Per Weiss 2007, 2019

The Ghia Haylo daybed with references to the geometric trend with the combination of the circled shapes and the curved legs in glossy black.

Ghia Haylo features a three steps of elevation in each side which you can amend to your needs. The daybed includes a pocket spring mattress with decorative seams that ensures you a better support while seating and resting. With the three angles of personal comfort it is easily converted to a comfortable two-seater with armrests and a generous one-person bed.
