Otris Sofa Bed

Otris Sofa Bed

Design by Emil Højfeldt & Per Weiss 2019

Otris is a soft, smoothly rounded sofa bed full of storage. With its intergated flexible upholstered arms Otris adds a new comfort dimension which can be adjusted to your comfort needs.

Easily convert Otris from sofa to bed due to its automatic fold out legs. By converting Otris into a bed a large storage box occurs providing you the possibility to store your beddings and cushions.

Otris includes a Pocket Spring Dual comfort with an extra layer of hyper soft foam which ensures an extra soft feel. Ideal comfort by day and night.

If needed, please request the specific price.
